

A Journey of Hope. A Transformation for Life.

In 1962 York County churches came together in faith and boldness to serve our most vulnerable neighbors. Our mission to serve is clear as is the mandate to grow and mature. In the decades since, the vision to nurture a path of transformation has been humbling to behold.

The transformation speaks to

- our neighbors in need
- our staff
- volunteers who give from the heart
- a community who yearns to be the best it can be

Our logo (developed in 2016) is a beautiful example of Christ's desire to create transformation in all our lives. The process is illustrated in the dots between "I" and the "T" characters. The transformation happens when we allow ourselves to experience the freedom found in the outstretched arms of a Savior who loves all His children.

The Steps Along Our Journey

We have five core values we turn to in helping us uplift **CHRIST** in our **COMMUNITY** with **COMPASSION** and **COMMITMENT**.

- **Extravagant Faith** We pray bold courageous prayers. We live in full anticipation that God will use the ministry to manifest His will, beyond what we can see, if we are willing to trust Him to do more abundantly anything we can ask or imagine. *(Eph 3:20)*
- **Radical Hospitality** We believe God has called us to spread His radical love, grace and mercy in a way that honors that calling. We make God visible through our expression of love and care for our neighbors. *(Matthew 5:16)*
- **Continuous Improvement** We never stop learning and growing as we aspire to reach our full potential. *(Proverbs 18:15)*
- **Excellence** We choose excellence in everything we do and encourage each other to give our best to the people we serve. *(Colossians 3:23)*
- **Culture of Honor** We honor the visionaries and leaders who paved the way, and those who continue the work in support of our mission as we embrace the future. *(Romans 12:10)*

Thank you to our guests who allow us to join in on their journey and share their stories.
