

NOVEMBER 6 - 10, 2023

What would your week look like if the outfit you chose on Monday, you had to wear all week long? (and beyond) This is a reality for many in our community.

The Challenge

We're challenging you to walk a week in their shoes.

Choose one outfit to wear for one week. No changing your clothes -- no matter the spills, rips, or odors that arise.

The Ask

Ask your friends, family, and colleagues to sponsor you to raise money to help those experiencing homelessness.

**Join Us For Lunch
Friday, November 10, 2023
11:30 a.m. - 1:30 p.m.**

- Catered Lunch
- Guest Speakers
- Participants model outfits
- LOCATION: **WELLSPAN PARK**

How to Participate

Visit our website to register. Then, from November 6-10, wear one outfit for the entire week.

If your clothing becomes stained, soiled, wrinkled, and/or develops an odor, that experience is encouraged. This mimics what it's like for many individuals who experience this challenge daily (i.e. those escaping domestic violence and human trafficking, elderly, veterans...and so many others.)

Take pictures, share them on social media, and join us for a luncheon/fashion show on Friday.

Don't want to walk the runway? No problem! Join us for lunch, network with other participants, and learn more about helping the homeless population in York, PA.
